

“CoStar COMPS cuts down the amount of time that we need to put together sales and to verify the information. It’s made us more efficient as an appraisal office.”

Tom Shields

Principal/Regional Manager
Joseph J. Blake & Associates,
Inc.

Appraisers:

Value Properties Accurately. In Less Time.

Don't miss a building or an opportunity.

It's easier being an appraiser with the help of CoStar property information. Verified. Trusted. Transparent. Appraisal-ready.

- **Confidence.** Value properties with the industry's largest database of verified sales comparables.
- **Convenience.** Generate unbiased sales records across all commercial property types and classes.
- **Trust.** Support an opinion of value with property profiles containing up to 200 verified data elements.
- **Speed.** Build more detailed appraisal reports in less time.
- **Insight.** Learn the true story behind the transaction.
- **Credibility.** Use industry-standard information that lenders and investors trust.

Only CoStar provides appraisers with a one-stop suite of online tools to help get assignments done. Rapidly. Accurately. Confidently.

That is why appraisers trust CoStar information.

Spend your time where it benefits you the most. Let CoStar verified information do the heavy lifting for you.
