

“CoStar does something very, very important for us. It helps us focus so that we’re able to use our time most effectively. And at the end of the day, we’re doing more deals. We’re making more money.”

Richard J. McBride, Jr.
President
McBride Real Estate Services, Inc.

Brokers: Close More Deals. In Less Time.

Don't miss a building or an opportunity.

It's easier being a broker with the help of CoStar property information. Verified. Trusted. Transparent. Transaction-ready.

- **Confidence.** Identify verified, deal-ready availabilities that fit your needs.
- **Savings.** Cut in-house research time and expense.
- **Convenience.** Quickly generate presentation-quality reports.
- **Knowledge.** Position yourself as the local market expert.
- **Insight.** Monitor and forecast property trends with powerful analytic tools.
- **Value.** Establish realistic sales prices based on the latest comps.

Only CoStar provides brokers with a one-stop suite of online tools to help get assignments done. Rapidly. Accurately. Confidently.

That is why brokers trust CoStar information.

Spend your time where it benefits you the most. Let CoStar verified information do the heavy lifting for you.

More deals start here.
