

“The data is professionally prepared, readily available and easily tailored to your particular use.”

George Livingston
President, Managing Principal
NAI Realvest

Owners/Developers: Make More Money. In Less Time.

Don't miss a building or an opportunity.

It's easier being an owner or developer with the help of CoStar property information. Verified. Trusted. Transparent. Deal-ready.

- **Confidence.** Make more profitable property decisions based on verified information. Asking rents. Available space. Sublets. Deliveries, and more.
- **Convenience.** Receive email alerts about changes in competing properties.
- **Performance.** Maximize your property's income by identifying tenants looking to expand or relocate.
- **ROI.** Identify under-performing assets for acquisitions. Lease up your building at the optimal price.
- **Insight.** Generate trend reports for tenant negotiations, refinancing, and more.
- **Credibility.** Present trustworthy, verified information to partners, lenders and investors.
- **Representation.** Identify the market's top-performing dealmakers.

Only CoStar provides owners and developers with a one-stop suite of online tools to help improve property and portfolio performance. Rapidly. Confidently. Conveniently.

That is why owners and developers trust CoStar information.

Spend your time where it benefits you the most. Let CoStar verified information do the heavy lifting for you.
